Spring Series 2023 - Onshore Wind: From Idea to Reality
Wednesday 22 March, 12-2pm
Online – Zoom
Agenda

12:00 - Welcome from CEE

12:15 - Introduction: Why onshore wind?

12:25- Reality Check

12:35 - Ways forward: Getting us ready for take off

12:45 - Chaired discussion with experts

12:55 - Q&A

13:10 - Introduce break out rooms

13:15 - Unleashing wind energy potential for communities - Break out rooms
3 groups based on level of enquiry: Small, medium and large scale projects.

13:45 - Group Feedback (3 mins each)

13:55 - Summary of identified next steps

14:00 - Event close

Questions to think about in advance:

- What resources or help do you think would be most useful in helping you move towards developing a wind project?
- Do we need a Community Wind working group to guide continued exploration and share knowledge? What guidance do you need? This will inform CEE's work.
